SEE LAKE OKEECHOBEE! So reads the inviting message on a handsome sign erected in Canal Point this week by the Canal Point Lions Club. The sign has an arrow pointing up over the dike to that massive body of water known throughout America as one of the outstanding tourists attractions. Heretofore, tourists have stopped within a stone's throw of the lake and couldn't find it. Now, it is easily found when one looks at the pretty new sign. Chalk up another first for the ever-alert Canal Point Lions.

TUESDAY NIGHT COLD took its toll of beans in the Lake Region. I kept my fingers crossed over the week end and things came out all right. We escaped what was thought was going to be a killer-diller. Tuesday afternoon the cold wave moved in and Wednesday morning the majority of the beans were gone. At Hillsboro Plantation the temperature dropped to 26 and remained under 32 for a seven-hour period. A like spell of cold hit the Okeelanta Sugar area with the temperature remaining under 32 for seven hours.

THE PARK BUILDING at Canal Point is fast nearing the finish. The contractors are busy this week putting on the finishing touches in order that the painters may start their decorating. Cabinets in the kitchen have been erected and the prime coat of paint has been put on them. The terrazzo floor has been given its final coat of polish and lends beauty to the entire building. Painters should finish their work within the next few weeks and the building should be ready for dedication soon after the first of the year.

DEC. 15 TO JAN. 2—Mark those dates on your calendar. That is, if you are interested in the school holiday in any way. High School Principal Canipe of Pahokee announced those dates as the official mid-term holiday dates. Boys and girls and school teachers are planning their vacation trips. May each and every one of them have a Merry Christmas.

WORK ON NEW COUNTY BARN is progressing according to schedule and this week the arcs are in the air. The heavy duty foundation and concrete floor are in place. County forces started Wednesday morning of this week building a new concrete capped bridge at the entrance to the barn from Federal Highway 441. Fill around the barn is being raised in keeping with my instructions as

FROST KILLS GLADES BEANS

Another bean crop in the Everglades was wiped out early Tuesday morning when frost and cold temperature prevailed in the mucklands. In spots the temperature dropped to 25 degrees and in many places it was under 32. A conservative estimate following the heavy frost again on Wednesday morning is that nearly 75 percent of the bean crop is completely gone. The Belle Glade-South Bay area seems to have suffered the most from the devastating temperatures. Close-in crops to Lake Okeechobee escaped in places north of Canal Point and between Pahokee and Canal Point.

Basketball Gets Started Pahokee Tues. Night, Dec. 12

The Pahokee High Blue Devils started practice Monday for the basketball season which opens Tuesday night, Dec. 12, with a game with Okeechobee.

Sixteen boys responded to Coach Howards' first call for practice. Included among these were only two letter men, Ronnie May and Carney Wilder, who are starting their third year of basketball under Coach Howard.

The Blue Devils will play in the new Suncoast Conference and hope this season to better their last season's record of five wins and ten defeats. There still will be the handicap of the undersize court in the Pahokee gym.

The Blue Devil schedule: Dec. 12, Okeechobee, there; Jan. 4, Lake Worth, there; Jan. 5, Clewiston, here; Jan. 9, Belle Glade, there; Jan. 12, Seacrest, here; Jan. 16, open; Jan. 19, Fort Pierce, here; Jan. 23, Stuart, here; Jan. 26, Vero Beach, here; Jan. 30, Okeechobee, here; Feb. 2, Fort Pierce, there; Feb. 6, Clewiston, there; Feb. 9, Seacrest, there; Feb. 13, Stuart, there; Feb. 15-17, Suncoast tournament at Lake Worth; Feb. 20, Lake Worth, here; Feb. 23, open; Feb. 26, Belle Glade, here; Mar. 1-2, district basketball tournament.

Concentrated juices are lightening the shipping problems of citrus fruit growers in a big way, according to the American Can Company, which reports that one carload of the concentrate is the equivalent of nine carloads of raw fruit.

Radio Hook Up For Local Officers Is Sought By Rardin

In a move to bring adequate radio communication to law enforcement officers in Pahokee and Canal Point, Commissioner Rardin introduced a resolution before the county commission Monday which won the support of his colleagues calling on the Florida Highway Patrol to make its Glades radio facilities available to county law officers. Rardin said a similar setup had been used by Glades officials before the FHP changed its wave length and installed new radio equipment.

Other actions by the Commission Monday included opening bids for construction of a building at Jupiter Beach, bids for the county's annual supply of road oil and bids for janitors supplies for the year. The bids were referred to County Engineer J. M. Boyd for tabulation.

Of the bonds approved by the commission was one for Ben F. Sunday, commissioner elect of Delray Beach, who will succeed Commissioner C. Y. Byrd on the board in January. The board also approved a deputy sheriff bona for George Pfafflin and a constable bond for Louis Carroll, former deputy sheriff who was appointed to the constable post by Gov. Warren.

A grand jury report, calling for the suspension of J. W. Horper, justice of the peace in District Three, was read by the commission. The board ordered the report made a part of their minutes.

JUNIORS LOSE

Junior high school foot ball teams from the Glades did not do so good in West Palm Beach. Thursday night when the Junior squad from Pahokee lost to Coniston 35-24 and the Juniors from Belle Glade lost to Northboro 19-0.

Russell O. Morrow Will Speak In Pahokee Tonite

State Senator Russell O. Morrow of Lake Worth will speak tonite at eight o'clock in the Pahokee high school auditorium on "Keep Awake America." The program is sponsored by the Pahokee Elks Lodge. Lodges throughout the United States are holding these special programs to alert Americans for the long fight against Communism.

Mr. Morrow, a veteran of World War II, has served for several years in the state legislature as a member of the house of represent-

Joint Meeting Held By Legion Groups

Members of the Canal Point American Legion Post 242 and the Woman's Auxiliary met jointly in the Legion Hall Tuesday night for a potluck supper.

Pledges were taken at the meeting for donations to the blood bank when the mobile unit of the Dade County Blood Bank arrives in this area. It was announced the Auxiliary will offer as a special prize at the monthly canasta party in the Legion Hall on the night of Dec. 16 a Tony doll with a complete wardrobe. Mrs. S. M. Baird was introduced as a guest.

Clean Up Drive Is Near Flop As Folks Ignore Club's Plea

Mrs. Harry McIntosh, president of the Pahokee-Canal Point Garden Clubs, advises us the response to "Clean up for Christmas" campaign, which this organization started, has fallen far short of that anticipated.

To date a very small percentage of property owners have made any effort in this direction, and with less than 25 days away from Christmas, Mr. and Mrs. Property Owner better get out the swing blade and the rake and take care of those unsightly places none of us are proud of.

Just heap it up at the edge of your lot, notify Mrs. Ruth Meredith and she will arrange to have it removed. You will feel right proud of yourself for having contributed your bit in this worthy project of making Pahokee-Canal Point a garden spot.

On one stretch of the Seaboard Air Line Railroad, commencing a few miles north of West Palm Beach, the track runs straight as a taut string for 57.4 miles.

At a highly enthusiastic meeting held Monday night in Okeechobee the 441 Highway Association was organized and officers were chosen. Henry O. Earwood of Belle Glade was elected to head the group as president and F. B. Meserve of Okeechobee was named vice president. R. D. Shinkle of Kissimmee was chosen secretary-treasurer.

The purpose of the association is to bring traffic into South Florida over the recently designated 441 federal highway. Representative groups from South Bay, Belle Glade, Pahokee, Canal Point, Okeechobee, St. Cloud and Kissimmee were in attendance at the meeting and offered valuable ideas for formation of the new association.

Each town along the federal highway is to be invited to become a member of the association with one director from each town.

Directors already chosen to serve for the first year are as follows: Belle Glade — Mayor Crider; Pahokee — Gil Gabaldon; Canal Point — Paul Rardin; Okeechobee — Herbert Nix; Kissimmee — William Prather; St. Cloud — Robert Johns.

By unanimous vote of the interested group present, the board of directors was empowered to make arrangements for road signs and association rules and regulations. The directors were also empowered to make arrangements to purchase several hundred thousand strip maps showing the route of the new 441 highway.

Officers and members of the board of directors will meet in Kissimmee next Monday at noon as guests of the Chamber of Commerce there to perfect future plans for the organization. At that time final plans will be made for erection of a massive sign just south of South Bay directing traffic to Federal Highway 441. Another huge sign will be erected above Kissimmee. Several small signs will be erected over the route.

Three Act Comedy To Be Presented By Junior Class Dec. 7-8

The Pahokee High School Junior Class will present a three act comedy, "Take Your Medicine," by Felice Metacalf in the high school auditorium Thursday and Friday nights, Dec. 7-8, starting at 8:15.

The play is under the direction of Mrs. Herbert Miller and is reported to be fast moving and filled with hilarious situations. Included in the cast are Charles McCurdy, Patsy Elliott, Millard Stanley, Rita Faye Hunt, Shirley Watson, Bobbie Frierson, Donna Jo Spooner, Mac Lynn, Buddy Hewell, Barbara Swearingin, Gloria Stuart, Myra Baxter, David McCoy, Leone Giamet, Wynell Gillis, Linda Cowart, Wanda Harper and Carney Wilder.

News Notes From State Capital

TALLAHASSEE—At least one faithful Democrat has been rescued from the political shambles which was Pinellas county after the general election. Former State Representative Archie Clement, defeated by Republican B. E. Shaffer, has been appointed state attorney for that circuit. He replaced Chester B. McMullen, who climaxed a long career of public service in Pinellas and Pasco counties by getting elected to Congress to succeed J. Hardin Peterson. Clement was one of the administration leaders and a legislative balance wheel. He and two other Democratic nominees were defeated for legislature posts in Pinellas by Republicans.

TALLAHASSEE—J. M. Chupp, president of the Florida Citizens Safety Council, has called a meeting of directors of the organization for Orlando on December 8. The gathering will take place in the Orange Court Hotel starting at 10 o'clock. Death tolls in highway accidents have taken a sharp rise this week, going to 721. As of this same period a year ago, the toll at 559 killed in highway accidents.

TALLAHASSEE—Forestry and park enthusiasts will meet at Jacksonville December 11 and 12 to discuss legislative programs, and to work out plans for improving the natural legacies of Florida. John D. Pennekamp, chairman of the Florida Board of Parks and Historic Memorials, announced his group will gather December 11 to make final plans for carrying their program of park development before the legislature. The board, organized in 1949, is starting almost from scratch to make some 50,000 acres of valuable park properties useful to the public. The Florida Forest and Park Association, headed by State Senator William A. Shands of Gainesville, also will take part in the park discussion, and then, on December 12, convene to further its program to "Keep Florida Green." The association has been able to expand fire control and reforestation over more than 8,800,000 acres of Florida timberland previously stripped of its trees.

TALLAHASSEE— "Gambling exceptions" drew a sharp rebuke from Attorney General Richard W. Ervin, after his turkey shoot opinion had been nullified by the courts. Ervin had ruled that a turkey shoot, in which a prize is given to the winning marksman, is against the gambling laws. Circuit

Judge W. May Walker here, an old turkey shooter himself, held that such sports do not constitute gambling, and gave the go-ahead to a local group to hold a Thanksgiving shoot. Ervin said that while the state-drive against gambling should not be carried to ridiculous lengths, he could not set up exceptions to the gambling laws as he viewed them.

TALLAHASSEE—Attorney General Richard W. Ervin this week gave his official opinion on the following general subjects:

JURY—Coroner's jury may be selected by justice of the peace by any group of citizens in his district, not necessarily a jury list.

VOTING—Change in party affiliation must be requested in writing of the supervisor.

LIQUOR—Constables may not search liquor stores and bars without warrant.

VETERANS—Public records required to establish veterans' benefits may be copied free.

TAXES—Medical center may be exempt from taxes if it in fact is charitable and non-profit.

TALLAHASSEE—Official vote of the general election here surprised no one, but did cause mild consternation in the showing of 74,280 votes for Republican John F. Booth, Miami. He was defeated for the United States senate by George A. Smathers of Miami, with 233,987. Jerry Carter for state railroad commissioner got 190,557 to 64,838 for his Republican opponent, Clifton D. Seaf, New Smyrna Beach. Establishment of juvenile courts in Florida drew the highest support among the five proposed constitutional amendments, all of which carried. They will give Monroe county a separate circuit judge, provide two county judges for Dade and Duval counties, eliminate the state census, and permit the amending of laws by sections, instead of printing the entire law to be amended.

Shirley and Martha Ammons have returned home after spending the Thanksgiving holidays with their cousins, Linda Sue and Sandra Kay Kirk in West Palm Beach.

Mr. and Mrs. Wade Ammons had as guests Thanksgiving Day her mother, Mrs. E. M. Osborne, and Mrs. Ernest Murphy, both of Lakeland.

Mr. and Mrs. Robert O. Lampi had as a guest Friday Jones Phillips of Easley, S. C.

Births

Mr. and Mrs. Travis R. Douglas of Okeechobee announce the birth of a son at the Everglades Memorial Hospital Tuesday, Nov. 28.

Mr. and Mrs. Roy Vandegrift, Sr., had as dinner guests Thanksgiving Day Mr. and Mrs. Samuel Senter of West Palm Beach, Dan McCauley of Philadelphia, Pa., Mr. and Mrs. M. M. Vandegrift, Roy Vandegrift, Jr., and P. M. Cate, Jr., of Pahokee.

Mrs. Y. A. Harris of Gainesville, Fla., Mrs. Letchworth and Mrs. S. T. Rogers of Sebastian, Fla., were Thanksgiving guests of Mr. and Mrs. H. L. Speer. Mrs. Harris is the mother of Mrs. Speer. Mrs. Letchworth is her grandmother and Mrs. Rogers is her aunt.

Mr. and Mrs. Thomas Handley and children have returned home after spending the Thanksgiving holidays with her parents, Mr. and Mrs. H. F. Powers, in Macclenny, Fla.

Johnny Rogers spent the weekend visiting his aunt, Mrs. Nell Woods, in Fort Pierce.

Nell Kennen of Miami was the guest of Mrs. Adaline Stuckey and his uncle and aunt, Mr. and Mrs. R. J. Schroder, in Pahokee through the Thanksgiving holidays.

Mr. and Mrs. Ellis Murphy and son have returned to Pahokee after spending the past several months in Miami. They were accompanied home by her mother, Mrs. Mabel C. Thompson, who has been visiting them in Miami.

Mr. and Mrs. Curtis Chase and sons spent the Thanksgiving holidays with his parents, Mr. and Mrs. George Chase, in Palatka.

Mrs. L. M. Collins and children were the guests of her brother-in-law and sister, Mr. and Mrs. Herman Smith, in Orlando over the weekend.

Mrs. B. W. Wood spent Thanksgiving day with her son and daughter-in-law, Mr. and Mrs. J. W. Wood, in Miami.

Mayor Lewis Friend, City Clerk Clyde A. Alley, Louis Gold, Homer J. Clause and grandson, Jack Stanley, spent the weekend hunting in Big Cypress.

Dr. and Mrs. Gordon H. Schuetler had as guests Sunday her mother, Mrs. Elsie Woodruff and daughter, Margaret, of Boynton Beach and his brother and sister-in-law, Dr. and Mrs. Arthur Schuetler, of Lake Worth. Mrs. Woodruff was accompanied home by her granddaughter, Judy Schuetler.

Women of the southeast increased the strength of the Marine Corps by 908 during World War II.

Citrus Industry In Florida Produces Half Of U. S. Oranges

TAMPA—From Florida's groves, which annually produce more than half of the nation's oranges, grapefruit and tangerines, came nearly 87 per cent of the citrus fruit canned in the United States during the 1949-50 season, according to figures just compiled by Florida Canners Association headquarters here.

Florida's big share of the national pack was completed early in the summer, but the smaller California operation is just now winding up with waning days of the Valencia orange season on the Pacific Coast. C. C. Rathbun, executive secretary of the Florida Canners Association, explained. Meanwhile, a number of Florida processors have started work on the new 1950-51 crop of fruit, and others will join them in the field between now and the first of the year. The 50 firms which are members of the Association for the 1950-51 season represent 100 per cent of Florida's processed citrus production.

Florida's canners and concentrators, in the past season, used 34,510,220 boxes of oranges, representing 59 per cent of the state's commercial utilization; 13,431,710 boxes of grapefruit, representing 56 per cent of the crop; and 1,465,366 boxes of tangerines, about a third of the state's crop.

From where I sit ... by Joe Marsh

I Have A
"Close Squeak!"

"Spent last Saturday morning wandering all over the house. Wherever I went—upstairs or down—I kept hearing a 'squeak.' Couldn't find out where it was coming from until noon-time when the missus came home from her weekly shopping.

"Listen," I says to her, "hear that squeak?" I started walking real quiet-like across the kitchen and there it went again! "Joe Marsh," she laughs, "that is nothing but your suspender clips rubbing back and forth when you walk!" And darned if it wasn't!

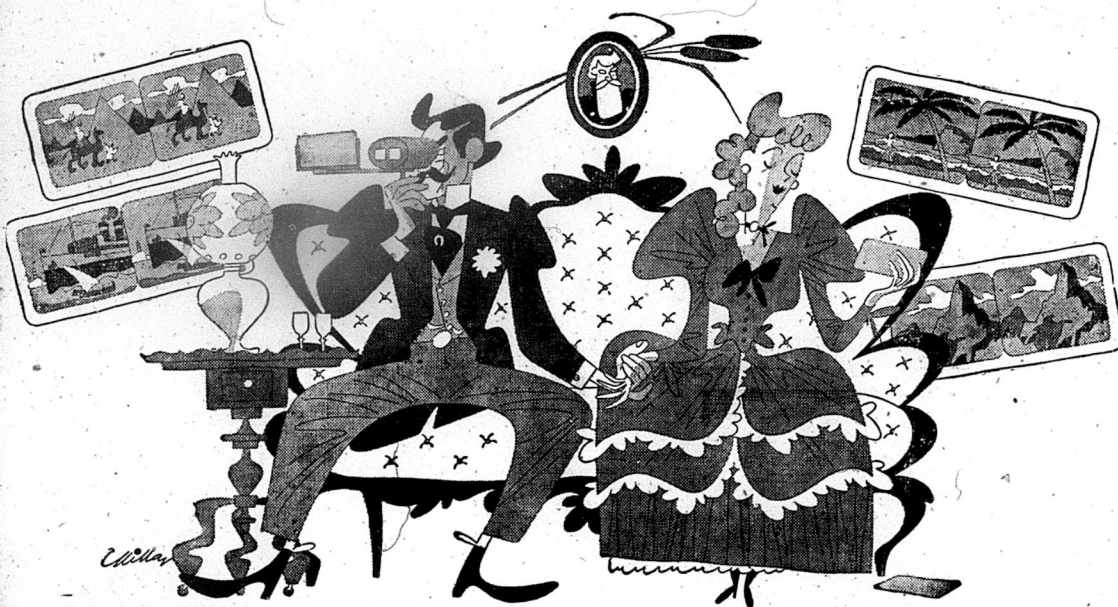

From where I sit, I'd been let-

ting a little thing become a serious problem. Like some little difference of opinion or taste will start off a great big argument. I may prefer a temperate glass of beer with my dinner—while the missus likes tea—but we figure that no two people have exactly the same likes and dislikes. So, why get all "het up" about it?

The moral is, check your suspenders—and check your temper when it comes to little things.

Joe Marsh

Try this on your stereoscope!

When this "VIEWER" was in the parlor, folks used to look at pictures like these.

They'd spend many an hour gazing wistfully at scenes of places they'd like to visit, things they'd like to do.

But, today, there's an invention that beats those stereoscopic pictures all hollow. No—it isn't television.

It's the Payroll Savings Plan—an automatic

method of saving that all but puts you on that liner and says "bon voyage."

So simple, so painless, so sure—the Payroll Savings Plan sets aside a small part of your earnings each and every pay day, puts it in United States Savings Bonds.

And those bonds grow and GROW. In ten short years they pay you back \$4 for every \$3 you put in today.

A self-fattening investment—guaranteed by Uncle Sam—that will let you do things for your family and for yourself that you could never do without such a convenient plan.

And, if you're not on a payroll, there's the equally convenient, equally profitable Bond-A-Month Plan at your bank.

No matter how you look at them, U. S. Savings Bonds help to picture a bright, happy future!

Pahokee & Belle Glade Play 12-12 Tie In Annual Game

The Pahokee Blue Devils and the Belle Glade Golden Rams locked horns with a 12-12 tie on Lair Field Thanksgiving Eve in their traditional contest for the Bill Young Memorial Trophy.

It was a hard fought battle from start to finish. In the scoreless first half the Blue Devils threatened once when they recovered a Ram fumble deep in Belle Glade territory and the Rams were able to get within the Pahokee 10-yard zone twice but found the light Pahokee line too tough to penetrate when backed against its own goal line.

Pahokee started the scoring at the opening of the second half when they grounded the kickoff on their own 30. On the first play Quarterback Carney Wilder threw a long looper to End Ronnie May who juggled it momentarily on the Belle Glade 30, then got a firm grip on the pigskin and raced for a touchdown. The Blue Devils scored again at the start of the fourth quarter when Wilder intercepted Bill Mizell's pass on the Pahokee 30 and brought it up to the 35. On the next play Wilder was trapped behind the line of scrimmage on the 30. From there on the next play he heaved another long one to May who neatly connected on the Belle Glade 40 and outraced closely pursuing Ram tacklers to the goal line. Charles Dickson's attempted kick for the extra point after each touchdown was blocked.

The score now stood 12 to 0 in favor of the Blue Devils with 10 minutes of playing time remaining in the final period. This was an intolerable situation for the husky Rams who outweighed the Blue Devils on an average of 40 pounds per man and were rated to win by at least a one-touchdown margin. It seemed that no matter which

way they threw their weight around on ground play the stubborn Blue Devil line and secondary fenced them off from pay dirt.

When the tiring Blue Devils kicked after the second touchdown End Billy Burke took the ball on his own 35 and made a nice run back to the Pahokee 39. When a line plunge netted only two yards the Rams took to the air in desperation and with success. John Carden passed to Bob Cameron for 17 yards and a line smash by Al Leathers moved the ball to the Pahokee 11. From there Carden passed to Burke who was downed on the three and Leathers took it the rest of the way through right tackle. Ray Caldwell's placement attempt failed.

In kicking off after the touchdown the Rams caught the Blue Devils napping with a short one which was grounded on the Pahokee 48 by Ram Center Jack Moody. Short line bucks by Leathers and Joe Revels plus two passes by Carden to Leathers and by Mizell to Burke, good for 18 yards each, carried the ball down to the Pahokee 10 where Mizell connected with Burke in the end zone for another TD. Caldwell again failed to kick the extra point.

The heavy Ram line was the deciding factor in keeping Belle Glade from going down in defeat. On the defense it kept the Blue Devils' passing ace, Carney Wilder, bottled up through most of the game and rushed in time and again to trap him behind the line of scrimmage before he was able to spot receiving targets. During the Rams' successful aerial attacks in the last half the Belle Glade line rarely failed to give its passers plenty of time to find a receiver and carefully place their shots

without being rushed.

The most amazing thing in the game was the manner in which the outnumbered but stubborn Blue Devil team completely stalled Belle Glade's vaunted ground attack when it started to threaten the Pahokee goal line. The legs said about the Pahokee pass defense the better.

Pahokee got 4 first downs to 14 by Belle Glade and netted 42 yards rushing to 115 for Belle Glade. The Blue Devils attempted 10 passes, completing 3 for 150 yards and the Rams attempted 21, completing 10 for 149 yards. Each team intercepted one pass and lost the ball on fumbles on two different occasions.

The large crowd which saw the thrilling game also enjoyed the excellent performance by the bands of the two schools at the halftime. The Belle Glade group used the Christmas theme including the Nativity scene and the Pahokee group, with lights out, gave a fine interpretation of "Harbor Lights."

Following the game a brief ceremony was held on Lair Field with Paul Rardin acting as master of ceremonies. Tom Baldwin, president of the Pahokee Lions Club, presented the Trophy to Doug Leavitt, Ram coach. The tie score enabled the Belle Glade team, possessor of the trophy for the past year, to retain it for another year.

In passing we wish to salute the Pahokee, Belle Glade and Clewiston 1950 football teams, all three of which and the season with excellent records in the first division of the Suncoast Conference.

We nominate Jim Maynor of Pahokee as the Florida prep school coach "Coach of the Year." Starting from scratch with very light material he succeeded, with the able assistance of line coach, Bill Howard, in building a well-balanced, hard fighting team that was the equal, pound for pound, of any high school team in the state.

Making up the fast, charging, strongly defensive Blue Devil line were Charles Dickson, Bobby Peacock, Ronnie May, Charles Holmes, Gene Williams, Sidney Caruthers, Junior Holmes, George Rozelle, Trev Weeks, Buddy Howell, Jack Boland, Rutsy Million, Billy Turbeville and others, while the fast and versatile Blue Devil backfield was made effective by the playing of Carney Wilder, Al Meeks, Melvin Tillis, Bobby Schroder, Bill Hatton and Jack Thomas. Starting with a preseason rating of cellar position in the Suncoast Conference, these boys buckled down to team work, took advantage of good coaching and soon developed into the "scrappiest, most spirited" team Pahokee has been proud to call its own in many a year. Plenty of bruises and hard knocks went into the Blue Devils' season record of 6-2-2.

Tacky Party, Supper Mark Philathea Meet

Members of the Philathea Class, First Baptist Sunday school, enjoyed a tacky party and supper at the home of Mr. and Mrs. H. J. Clause recently.

Mrs. Dorothy Graham was in charge of the entertainment which consisted of games and songs which were sung by a men's quartet composed of S. L. Lindsay, Tom Baldwin, Homer Clause and Robert Lampi; also by a ladies quartet composed of Mrs. Vera Summerlin, Mrs. H. H. Shirley, Mrs. T. E. Baldwin and Mrs. Willey Tillis. Mrs. Shirley and Mr. Lindsay sang a duet, "Blessed Be the Tie that Binds," and Mr. Lampi sang a solo, "The Preacher and the Bear."

The prize for the best tacky costume was won by Mr. Lindsay. The committee in charge of party arrangements included Mrs. R. L. Parker, Mrs. Charles Batchelor, Mrs. Summerlin, Mrs. W. H. Rogers, Mrs. Lampi and Mrs. Clause. Approximately 65 attended.

Mrs. Frank Friend Is Luncheon Speaker

Mrs. Frank Friend, president of the County Federation of Woman's Clubs, was speaker at the Tuesday luncheon meeting of the Pahokee Woman's Club, with Mrs. Victor L. Geiger, club president, presiding.

Mrs. Friend gave a talk on "Activities of State and County Federation and Local Club Work" in which she pointed out legislative measures sponsored by the federation, including the fencing of cattle from Florida highways and the present movement to have unsightly billboards removed from the highways. She said this year's State Federation project is work with Indian Youth, with each club urged to adopt an Indian child for the promotion of its education, the cost of which is approximately \$50 a year.

Also on the program Mrs. Vera Summerlin sang a solo, accompanied at the piano by Mrs. M. P. Stanley. Mrs. Summerlin also led in group singing.

Mrs. R. J. Schroder, club parliamentarian, gave a brief instruction on parliamentary procedure. The club voted to rent the clubhouse to the Pahokee Rotary Club as a regular meeting place for its Thursday luncheons. It was also voted to purchase a new service of silver and dishes for 100 persons and a new electric cooking range for the clubhouse kitchen. Mrs. W. H. Rogers, Mrs. Frank Hillier and Mrs. George Tucker, Jr., were named on the committee to make

this purchase.

It was announced the club will sponsor the sale of Christmas seals for the Palm Beach County Tuberculosis and Health Association in this area and will set up a sales booth in front of the postoffice Saturday.

Luncheon hostesses were Mrs. Corley Watson and Mrs. F. Baxter.

O. B. McClure Named Methodist Trustee

O. B. McClure of Pahokee was elected a trustee by the Methodist Churches, West Palm Beach District Conference, at a meeting at the Calvary Methodist Church in West Palm Beach Tuesday. Others attending the first meeting of the newly organized West Palm Beach district were Mrs. John A. Delany, delegate, and Rev. Ralph W. Todd.

PHS Annual Given High Rating Thru Scholastic Press

"The Midcentury," Pahokee High School annual published under the sponsorship of the Senior Class of 1950 received a high score from the National Scholastic Press Association as compared with other school annuals of its size. It was given a second class rating, just a notch below the top "all-American" first class rating for high school annuals.

The Midcentury is the first Pahokee yearbook to be recognized by the National Scholastic Press Association. Fayne Jackson, now a NROTC student at the University of Carolina, was editor-in-chief.

It received its highest scoring in photography and its lowest in copy. One of the judges who compared the Midcentury with other year books remarked, "Considering your enrollment your book is well done and interesting. Students seem to enjoy school at Pahokee."

Four Are Initiated In Order Of Rainbow

The Pahokee Assembly of the Order of Rainbow initiated four new members at a meeting in the Masonic Hall Monday night. They were the Misses Fatsy Maurer, Donna Jo Spooner, Sandra Long and Joyce Hurt.

Mrs. Mabel Young acted as mother advisor in the absence of Mrs. Catherine Ammons. At the conclusion of the meeting refreshments were served by Miss Vera Keen and Miss Rita Faye Hurt.

Mr. and Mrs. Sam Lovell of Miami spent the Thanksgiving holidays with their parents, Mr. and Mrs. Dave Lovell, in Pahokee.

Sawgrass Special

Hurricanes, freezes, blizzards and frosts are going to reduce everybody to grits, guavas and garfish if they don't let up soon... When Harry McIntosh sez "How u doin'?"... he means it now... one more frost and you will see the bank full of tractors, cattle, furniture, bean seed, groceries, clothing, fertilizer, appliances, corn planters, hardware, Hadacol and Therms... Harry and Rupert will be down in the Big Cypress eatin' swamp cabbage and huntin' fresh meat...

See they finally fixed things up out at the Airport... some county commissioner — probably the Canal Point job—fenced off the runway in an effort to keep the Hot-rod from using it for a race track... some of the local fly-boys have had to circle and circle until after a race in order to make a safe landing... we learn from unreliable sources that the only Hot-rod conspicuous by his absence from these contests is "Hot-rod" Shaughnessy... doesn't like school boy competition... we learn from the same sources that the Chief is grooming a man to take him on... a potential builder and a few local citizens are going to take him on too—pretty soon—they will include Little Joe and his Iron Curtain Boys also... some fun, mebe...

Nellie Alderman sez... "Thanks for the double trouble"... just like she was handing me a glass of warm fish... seems our dog gave birth to five wee ones... we slick-talked Joe and L. G. into giving two of them a home... they're an act of God, Nellie... your dog, Mac, was there too... you worry with him for the next two years then L. G. will buy you a mink coat and start huntin' him in 1952...

Elmer Jones, Wiley Tillis, Bud Wroten and Chester Batchelor drove 9000 miles and shot 9000 squirrels... that's the kind of huntin' stories were are hearin' this week... Elmer shot a deer but the man with the dog talked so fast that about all Elmer got was the tail...

A. Q. Howell, Duke Tucker, Thadd Whidden and four divisions from Belle Glade, headed by Frank Hobson, invaded the Big Cypress... They all agree that three deer were killed... there is so much lying going on it is impossible to tell who killed what... they all agree on one thing... two deer were run slap over Dead-eye Howell but he hasn't knocked one down yet...

Clyde Alley, Lewis Friend, Homer Clause, Louie Gold and Jackie Stanley also went south... no meat... Clyde sez Lewis Friend let a turkey pick his eyes out... that's how come he missed him... Lewis sez they would have had venison if Clyde hadn't fell out of a tree and tore his pants off... it was laffin so hard at Clyde that it couldn't run...

FROM THE PALM BEACH POST... "They are claiming the State Championship for Miami High in prep football, but look what our three Everglades area teams could boast: Clewiston tied I-hokee, which tied Se'e Glade, which tied Miami Beach, which tied Miami High, which makes who equal wher?"... mebe that makes 'em eligible for the annual Under-the-bed-Bow contest...

Cinematic Chatter

By Malcolm Millar

Bing Crosby has been voted the favorite performer of the Bobby Soxers of America in that organization's 1950 poll, according to word from Hollywood. According to Bernice Phillips, president of the club that has 17,574 members with chapters in every city in the United States, Crosby was selected the favorite singer and Edmund O'Brien was voted the favorite actor. Crosby and O'Brien are first-time winners in this national teenage election. Outcome of the poll indicates the bobby soxers are passing up younger players for the more mature stars. "That's because we've become more serious in our thinking and preferences," Miss Phillips explained. Every trouper knows that if he has the kids, or the younger set with him, his or she is made. I recall a certain star in dramatic stock in my old trouping days who got tickets for about twenty young boys and girls on a certain performance he was playing, because he wanted to make an impression with the manager of the stock company. He instructed these kids that when the curtain

fell on the first act they were to start calling his name and clapping their hands. This was to bring him on for an extra curtain call or bow and a little stage speech. But the thing backfired, because the kids all took a shine to a little leading lady starring with him and shouted her name until she came out for the extra call, stopped the show and made a very pretty speech, directly to the teen-agers. See you at the movies—Mal.

Belle Glade Hospital Head To Attend Meet

Ernest H. Fiedler, Superintendent of Belle Glade Memorial Hospital, Belle Glade, will attend the annual meeting of the Florida Hospital Association which will be held at the Wyoming Hotel in Orlando on December 4 and 5. Approximately 150 hospital people from all parts of the State are expected to attend this meeting to discuss mutual problems and exchange ideas in their constant endeavor to render the best possible health care to the people of Florida.

Mr. Fiedler will also attend the annual meeting of member hospitals of the Florida Hospital Service Corporation, the Blue Cross Plan, to be held on December 3 in the Wyoming Hotel in Orlando.

Pahokee Boy Plays In Clemson Band

When the Clemson Band comes to Miami for the Clemson-Miami football game in the Orange Bowl New Year's Day the left pivot man in the band's front row will be none other than Jack Major, son of Mr. and Mrs. C. A. Major of Pahokee. Jack was formerly a member of the Pahokee High School Band and plays a trombone. He is also manager and trombonist of a small orchestra known as the "Junglers" which plays for dances at Clemson.

A warm and hearty welcome awaits you at this service. Come and return thanks to God.

Christian Science Society

CHURCH OF CHRIST, SCIENTIST

"GOD THE ONLY CAUSE AND CREATOR" is the subject of the Lesson-Sermon which will be read in Churches of Christ, Scientist, throughout the world on Sunday, December 3.

The Golden Text is: "Lord, thou art God, which hast made heaven, and earth, and the sea, and all that in them is" (Acts 4: 24).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Unto thee, O God, do we give thanks: for that thy name is near thy wondrous works declare" (Ps. 75: 1).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "We cannot fathom the nature and quality of God's creation by diving into the shallows of mortal belief. We must reverse our feeble flatterings — our efforts to find life and truth in matter — and rise above the testimony of the material senses, above the mortal to the immortal idea of God. . . . To begin rightly is to end rightly. . . . Divine Mind is the only cause or Principal of existence" (262: 9-14, 28 (only), 30-31).

High School Boys Tell Of College Aims

The Pahokee Lions at their Tuesday luncheon meeting had as guest speaker three Pahokee High School Seniors, Richard Tillis, Charles Holmes and Sidney Caruthers, who gave talks on their work at high school and what they hope to accomplish if they attend college after graduation.

In committee reports, it was revealed that through the efforts of the club the State Road Department has installed warning reflectors on dangerous curves along the highway between Pahokee and Belle Glade. E. P. Holt, who represents the club on the Pahokee Athletic Council, reported gate receipts at the Pahokee-Belle Glade football game totaled approximately \$2,700, the net proceeds to be divided equally between the two schools.

D. B. Mathis rejoined the club as a transfer member from the Delray Beach Lions Club. M. I. Keen gave a report on the meeting to organize a U. S. 441 Highway Association which he attended in Okeechobee Monday night.

Mrs. W. H. Lanier Dies In Hospital

TAMPA—Mrs. W. H. Lanier, of Clewiston, wife of the administrative assistant to the president of the US Sugar Corp., died here Wednesday.

A native of Wilmington, N. C., she moved to Clewiston in 1933. Besides her husband she leaves a sister, Mrs. W. W. Chadwick of Tampa; a daughter, Mrs. W. B. Hundertmark of Clewiston; her mother, Mrs. Flora Dean and a brother, Edgar Anderson, of Wilmington.

Funeral services and burial will be held here Friday afternoon.

Mrs. Donald Weeks Is New Pahokee Teacher

Mrs. Donald Weeks of Belle Glade has joined the Pahokee High School faculty as commercial studies instructor, replacing Miss Beatrice McLendon who resigned recently because of ill health.

Mrs. Weeks, a native of Alabama, received a B. S. degree in business education at Florence State Teachers College, Florence, Ala., and a master's degree at the Woman's Missionary Union Training College, Louisville, Ky. She taught school for five years in Alabama and did home missionary work among the Italian people at the Goodwill Center in Birmingham. She will assist the high school annual staff as business advisor.

Blood Bank Plan Is Materializing

The newly-organized Everglades Memorial Blood Bank committee held its first meeting last week in the Lions Club Building in Pahokee.

Members of the Board of Directors of this organization, and the organizations which they represent are:

I. J. Frasure, Jr., Everglades Memorial Hospital; Ed Jensen, Lions Club of Pahokee; Osceola Uptegrove, Lions Club of Canal Point; Melvin Pugh, Canal Point American Legion; Carmen Salvatore, Jr., Pahokee American Legion; A. Q. Howell, Masonic Lodge; E. D. Sims, Jr., Elks Lodge; Mrs. W. H. Jones, Pahokee Women's Club; Miss Nancy Seger, B. & P. Club; Mrs. Hilda Jensen, B. & P. Club; Mrs. Hilda Jensen, B. & P. Club; Sigma Phi Sorority; Mrs. H. M. McIntosh, Garden Club; Homey Clause, Rotary Club.

At the meeting the directors were asked to obtain as many donor pledges as possible, and to report them at a meeting to be called early in December. A time schedule can then be set up so that when the mobile unit arrives on Dec. 6th, the donors can be taken care of as they arrive, and will lose a minimum amount of time.

Arrangements have been worked out for the mobile unit to be set up at 4:00 p. m. on Wednesday, Dec. 6th at the American Legion Hall in Canal Point. They will work as late as necessary to take care of all donors in the Canal Point area.

On the following day, Thursday, Dec. 7th the unit will be set up at the Pahokee Woman's Club, and will be there all day. Members of the various organizations are urged to contact their representative and arrange for their blood deposit.

Wiley Howell Hurt In Auto Accident

Wiley Howell, son of Mr. and Mrs. A. Q. Howell of Canal Point, suffered a leg fracture in a traffic accident at the Stuckey railroad crossing Wednesday afternoon of last week.

Wiley was among a truckload of Pahokee High School students en route to Canal Point to parade through the streets of that city in a pre-game pep rally. He was sitting on the back end of the truck with legs dangling when the vehicle came to a sudden stop and the car following was rammed into the back end of the truck by the car behind it. Wiley's right leg, caught between the truck and the radiator of the car, was broken just below the knee. He was taken to the Everglades Memorial Hospital for treatment.

Canal Point Lions First To Erect Eign On 441 Fed. Hiway

Canal Point Lions, ever alert to opportunities, were the first organization to erect a sign of any note since the 441 Federal Highway has been designated down the east side of Lake Okechobee. The new sign is to be seen just north of the bridge in Canal Point and calls tourists' attention to the fact that Lake Okechobee is just over the dike ready for their inspection.

Many years have passed since the dike was built and thousands of tourists have passed up an opportunity to see the Big Lake just because there was no such thing as a sign calling their attention to it.

Now, the handsome new sign in Canal Point calls attention of passerby to the huge body of water that cuts up so indescribably during hurricanes and they can see it by driving just half a block.

Mr. and Mrs. John Dragon have as guests her mother, Mrs. D. M. McGee, brother, Early Warren, and niece, Bobbie Lynn Browder, all of Rural Hall, N. C.

Mr. and Mrs. P. M. Patterson of Fort Worth, Texas, are expected to arrive here this weekend for a visit with Mr. and Mrs. Joe Tom Boynton.

Francis P. Whitehair Takes Federal Job

DELAND—The appointment of Francis P. Whitehair of Deland, as general counsel of the Economic Stabilization Agency, was announced recently.

Whitehair will take over the office soon succeeding H. Graham Morrison, assistant U. S. attorney general, who has been acting counsel.

The economic stabilization agency was set up to control the economy in the present emergency, with wage-price controls if necessary.

Whitehair was admitted to the Florida bar at the age of 20 and has practiced in Florida since 1921. He served in both world wars. He was a candidate for the Democratic nomination for governor in 1939 but was defeated by Spessard Holland in a close contest.

He was born in Chapman, Kansas, but his family took him at an early age to Winter Haven, where his father was publisher of the Winter Haven Daily Chief.

Rep. and Mrs. B. Elliott and children, Patsy and Elmer B., spent the Thanksgiving holidays in Jacksonville where they visited their sons, Ronnie and Wayne, who are attending a military academy in that area.

Welfare Report Is Made By Co. Doctor

A total of 361 persons were cared for at the Palm Beach County Homes and Hospitals during the year ending Oct. 1, 1950 according to an annual report submitted Monday to the County Commission by Dr. W. E. VanLandingham, county physician.

Of the near 400 people who received indigent care and assistance, 71 were being cared for by the county on Oct. 1 with 30 patients in the county hospital, 17 in the county home and 24 in the negro home and hospital.

The white hospital, Dr. VanLandingham said, was busier during the past fiscal year with a total of 170 patients admitted for treatment bringing the total inmates cared for during the year to 205. Second busiest institution was the negro home and hospital where 34 patients were being treated at the start of the year and a total of 91 patients admitted during the period. At the county home, 17 patients were being cared for when the year opened and an additional 24 were admitted during the year.

Deaths as recorded by the county physician were 34 at the white hospital, none at the county home and 28 at the negro hospital.

Patients discharged according to the report were a total of 141 from the county hospital, 24 from the county home and 63 from the negro home.

West Palm Beach lead the rest of the cities in the county with admissions to the county hospital with a total of 63. Lake Worth was second with 17. West Palm Beach was first in admissions to the negro hospital with a total of 37 with Pahokee second with a total of 19 patients.

Expenditures for specialized medical treatment, according to the report, totaled \$52,734.25 for the year with \$15,460.75 of that amount going to Good Samaritan Hospital; \$20,083 to St. Mary's Hospital and \$17,190.50 to Pine Ridge Hospital. June was the month when the greatest amount of special medical funds were expended — the total \$6,233.25.

The patients admitted to the three local hospitals were listed as 155 to St. Mary's, 153 to Good Samaritan and 160 to Pine Ridge.

The total number of days spent in hospitals and paid for out of county funds was set at 5,430. A total of \$7,263.93 was collected for care of patients at the county home, at the State Tuberculosis Sanatoria and for hospital care and burials, Dr. VanLandingham reported.

The Welfare Department report also showed a total of \$24,954. worth of grocery orders issued to needy persons in the county during the past fiscal year.

Mrs. John A. Dulany attended a district meeting of WSCS secretaries of children's work held at the home of Mrs. G. C. Wood in West Palm Beach Thursday.

Lions Collect Toys For Salvation Army

At the dinner meeting of the Canal Point Lions Club Monday a report was given on the collection of toys for the Salvation Army under the sponsorship of the club. D. L. Hooks, boys and girls work chairman, was in charge of this project and the toys were collected by Charles Sears, student member of the club.

It was announced that President Boyd Vorhees and Paul Rardin were representing the club at the meeting in Okeechobee to form a U. S. 441 Highway Association for the purpose of promoting highway travel over the newly designated federal highway 441 which skirts the eastern shore of Lake Okeechobee through the towns of Okeechobee, Canal Point, Pahokee and Belle Glade. Mr. Rardin was chosen a member of the board of directors of the new organization.

Patsy Elliott Is In Contest For Orange Bowl Queen In Miami

Miss Patsy Elliott of Pahokee is among the 13 finalists in the elimination contests for Orange Bowl Queen to preside over activities during Orange Jamboree week in Miami. Final selection will be made this Saturday at noon and friends of the popular young Pahokee High school lass are hoping that luck will smile on her and that she will come out winner.

State Ad Agency Will Meet In Ocala, Dec. 8

OCALA—The Florida State Advertising Commission will meet at Silver Springs, December 8, according to Howe Sadler, director. The one-day session of the state agency handling all publicity and advertising for Florida will be at-

tended by members of the Commission and the staff at Tallahassee. Also expected to attend are members of the legislature from this section of the state.

Members of the Commission are: John D. Montgomery, Miami Beach; W. E. Heller, Mount Dora; Carl Floyd, Haines City; Glen Marshall, Jacksonville; H. G. Green, Pensacola and Robert V. Roberts, Fort Lauderdale.

PAUL'S SERVICE STATION

— CANAL POINT, FLORIDA —

How can you pass up prices like these?

As we've been saying for quite a spell — "Whatever your price range—Better buy Buick."

But maybe we'd better get down to brass tacks, as to just what this suggestion means.

In the lower-price field, this has been happening:

Four out of ten Buick SPECIALS—bought by people with a car to trade in—have been bought by folks who formerly drove one of the so-called "low-priced three." They found they could afford a Buick!

In the fine-car field, something even more impressive has happened:

Four out of five people who looked at a ROADMASTER and another very distinguished automobile decided in favor of ROADMASTER!

So—whatever your price range, take a look at our prices—and at what you get for your money.

What you get is the thrill of owning the greatest Buick of all time—as registered by record-breaking sales.

What you get is power and style and comfort and performance that are hard to match in any other automobile.

More specifically—you get the power-with-thrift of Buick's famous Fireball high-compression engine—a style that stands out in any company—a ride with the comfort of coil springs on every wheel—and performance that makes you feel like the head man on any highway.

Better come in today—and see what can be done about getting quick delivery.
